## Lunch Menu

Don't forget to book your child's lunch by the evening before in order to guarantee their first choice of menu option! Next week will be week 1!

### School Lunches

Please make sure that what is ordered for your child is something they like / will eat. We are unable to provide alternatives for children who refuse to eat their lunch claiming they don't like it, as all our lunches are cooked to order daily.

### A Million Stories

Don't forget, we are taking part in the Share a Million Sorties competition. This is a nationwide campaign to promote the love of reading. The school has the opportunity to win free books. Please ensure reading diaries are filled in every time you read a story at home, as this will be logged and count toward our school numbers!

### Coronavirus

We would like to remind all our families that our attendance rules and protocols have not changed in light of Coronavirus. We expect all children who are well enough to be at school as usual. Families need only keep children at home if they have tested positively for Coronavirus or have persistent symptoms including high temperatures and cough. This is not the case for any of our families to date. Advice from Public Health England continues to be for education and children's social care settings to remain open, unless advised otherwise.

### Reflection Room

Thank you to everyone who helped make the opening of our beautiful reflection room so successful. Rev. Holdaway very much enjoyed formally opening the space on Monday!
