## Lunch Menu

Don't forget to book your child's lunch by the evening before in order to guarantee their choice of menu option! Next week will be week 1.

### School Lunches

Please make sure that what is ordered for your child is something they like / will eat. We are unable to provide alternatives for children who refuse to eat their lunch claiming they don't like it, as all our lunches are prepared to order daily.

### Coronavirus

It has been brought to our attention that families are congregating at the end of the school day, after collecting their children. This risks mixing the bubbles up, thereby negating the measures in place in school. We therefore respectfully remind everyone of the 'rule of 6' and request that to ensure our children and their families are as safe as possible, gathering in large groups must be avoided.

### Parents' Evenings

We will be conducting parents' meetings virtually this term, due to continued Covid-19 restrictions on visitors to school premises. Look out for further details about booking an appointment in due course. Look to the left for the dates and times.

### Reading Project

KS1 will be starting an exciting new reading project called Daily Supported Reading, as part of our partnership with Queensbridge Primary school in Hackney. The children should be coming home excited about all the new books they can read and you should be able to see them making amazing progress!

### Fencing Project

I am told that the replacement of our boundary fencing along Gutteridge Hall Lane is scheduled to take place during October half term. I am very hopeful this will be the case after so many delays!

I really enjoyed playing fetch with some of the top Dojo children today! They wore me out!  
Thanks guys! Jenson
