Don't forget to book your child's lunch by the evening before in order to guarantee their choice of menu option! Next week will be week 3.

Promotional Film

We are very excited to announce that we will have a film crew in school on Tuesday 24th!

As we are unable to conduct tours of school for prospective parents, we are having a promotional film made. This will involve staff and children being filmed going about their usual day. It will also involve some interviews with children. We are hoping to capture all that is special about St Andrew's – please ensure your children look extra smart that day!

Fence Replacement project

After more than a year and a half, we are relieved to announce that the fencing work should be commencing within the next couple of weeks. A temporary fence will be erected as the project gets underway so that the children and our premises remain secure for the duration of the work. We are hoping it will all be finished by Christmas!

Parents' Evenings

The teachers have reported to me that they really enjoyed meeting with so many parents this week, albeit virtually. We had so much positive feedback, thank you!

Thank you

A huge thank you to Mr Johns and Mr Fawcett who gave up their time this afternoon to assemble the new learning summerhouse in our Reception outdoor area!

I am very excited to see the new items continuing to arrive for Reception's outdoor area. I enjoyed 'helping' to assemble the summer house today! I also loved hearing the children from year 5 reading me some of their writing. Aoife also made me a lovely card for 'cool to be kind' week!
