Writing to Impress

This week we have launched 'Writing to Impress' across the school. Children in years 1 – 6 have dedicated time every Friday morning to 'write to impress'. This involves a silent classroom, calming music and scented candles! The children loved the first session today and it is evident in all our classes that children are making great progress with their writing.

Parking

We have received a complaint from the residents of Ruby Fields so we would politely request that parents do not park there. It is not a public road, the residents have to maintain it themselves.

Lockdown

I would like to publicly thank our amazing staff for their resilience and perseverance during this new period of lockdown.

They are working extremely hard, with only a few minutes break each day due to staggered breaks and lunch times, and I cannot fault the way they tirelessly dedicate their love and patience to each and every child all day every day.

I am immensely proud of my staff team and the children, it is a privilege to work with them.

Mrs Fawcett

I enjoyed talking to year 6 today.... They were telling me all about the amazing things they're learning and about how much progress they're making. I loved smelling their writing!
