Lunch Menu

Don't forget to book your child's lunch by the evening before in order to guarantee their choice of menu option! The week after half term will be week 2 of the menu!

We have tweaked the menu to include more options, including sandwiches and jacket potatoes. Please check school money carefully to ensure you are ordering the right things! If you forget to order your child's lunch, we will feed them – but they will likely not get a choice as food is cooked to order – so please avoid distress by ordering in advance.

Rev. Moore's visit

This week, Rev. Moore focused on looking at behaviour and welfare – among staff and children. She was very impressed with the way the children speak about St Andrew's as one big family. They talked at length about how we support their mental health and about how happy and safe they feel at school. Rev. Moore commented on how communication is strong and that staff feel loved and valued by the senior leadership of the school.

Staffing

Year 4 say a fond farewell to Mrs Mugliston today. She will be sadly missed at St Andrew's and we wish her every success in her new adventures. In the meantime, Mrs Fawcett and Miss Robertson have been hard at work recruiting an amazing new teacher to join our St Andrew's family from September. Watch this space for more details of who they are! We will be announcing after half term which teachers will be in which classes next year. Some will be moving year groups and some will be staying where they are. Mrs Fawcett will let parents know as soon as she can, but has to wait until after 31st of May before she can reveal the plan!

Have a lovely half term break everyone!

I was so impressed to see that children in year 1 and 2 have been using apostrophes for possession correctly in their writing this week! They explained why they are used and then rewarded me for smelling their work with a biscuit!

Have a lovely weekend and a sunny half term everyone!

Jenson
