- 6th and 7th July – TTC transition days tbc
- 6th July – CCHS transition day
- Friday 16th July – Leavers' celebration 10am
- Last Day of Term Friday 16th July

Lunch Menu

Don't forget to book your child's lunch by the evening before in order to guarantee their choice of menu option! Next week will be week 1 of the menu!

We have tweaked the menu to include more options, including sandwiches and jacket potatoes. Please check school money carefully to ensure you are ordering the right things! It would be helpful if you could involve your child in these decisions – we have recently had lots of grumbly children saying they don't like what has been ordered and we are unable to offer alternatives because all our food is cooked freshly to order. Thank you!

Water bottles

Please ensure that if your child is bringing a drink bottle into school it only contains **water**. Sugary drinks will not help your children to be settled and focused on their learning.

After school

Please be mindful of allowing your children to mix with those from other bubbles after school. All the while contact tracing remains in place, school is legally obliged to request that families isolate in the event they are a close contact of someone who develops symptoms. The more different households your child mixes with, the more likely it is that they may be requested to isolate.

Marvellous Me

Next week we will be launching MarvellousMe! It will require a unique code, which will be sent out on Monday, 21st June.

It will then run concurrently with Dojo for one week - Dojo will not be used or monitored by staff from Monday 28th June.

School staff will archive the content from Dojo, so that precious photos and messages are saved for future use as needed.

Look out for your children bringing the codes home on Monday!

Top Dojo!

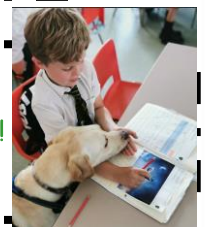

- Reception – Phoebe
- Year 1 – Ozzy
- Year 2 – Ava-Rose
- Year 3 – Samuel
- Year 4 – Lilly G and Olly F
- Year 5 – Jim
- Year 6 – Shai

Well done!

Today I learned all about volcanoes and all about light when I was smelling year 5 and 6's science learning! I was sad it was too wet for fetch today though ☹️. Have a lovely weekend!

Jenson
