Lunch Menu

Don't forget to book your child's lunch by the evening before in order to guarantee their choice of menu option! Next week will be week 3 of the menu!

We have tweaked the menu to include more options, including sandwiches and jacket potatoes. Please check school money carefully to ensure you are ordering the right things! It would be helpful if you could involve your child in these decisions – we have recently had lots of grumbly children saying they don't like what has been ordered and we are unable to offer alternatives because our food is cooked freshly to order. Thank you!

Class email addresses

The class email address for contacting your teachers is now live and in the following format:

[class number in words.staweeley@dcvst.org](mailto:class_number_in_words.staweeley@dcvst.org) for example, for year 1, it is: one.staweeley@dcvst.org

These emails will be monitored during working hours and not in the evenings, at weekends or during school holidays. If your query is urgent, please telephone the school office. In the event of reporting Covid symptoms, or positive test results, please use the dedicated mobile number to send a text. 07851946431

Sports Days

Each class will be taking part in a sports day – keep an eye on your Marvellous Me messages for further information about when they will be. We are still unable to invite parents to spectate, but teachers will do all they can to share the experience with you via photographs and video clips! We thank you for your patience with our continued restrictions and hope that you join us in wishing for an end to them very soon.

Leavers' Service

Leavers' will take place on Friday 16th July, at 10am. This will take place as a Teams Live event and the link will be sent out shortly. Having thought long and hard about whether it would be possible in person, we have decided that we will proceed remotely to enable the whole school and as many parents and family members as wish to, to be involved.

I very much enjoyed spending time with year 1 this morning, after they had the highest attendance last week! They have worked so hard on their writing this term – it has come on in leaps and bounds (two things I'm very good at). I'm looking forward to seeing year 3 next week!
