Well done!

Lunch Menu

Don't forget to book your child's lunch by the evening before in order to guarantee their choice of menu option! Next week will be week 1 of the menu!

We have tweaked the menu to include more options, including sandwiches and jacket potatoes. Please check school money carefully to ensure you are ordering the right things! It would be helpful if you could involve your child in these decisions – we have recently had lots of grumbly children saying they don't like what has been ordered and we are unable to offer alternatives because all our food is cooked freshly to order. Thank you!

Sports Days

Each class will be taking part in a sports day – keep an eye on your Marvellous Me messages for further information about when they will be. We are still unable to invite parents to spectate, but teachers will do all they can to share the experience with you via photographs and video clips! We thank you for your patience with our continued restrictions and hope that you join us in wishing for an end to them very soon.

Leavers' Service

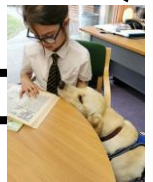

Leavers' will take place on Friday 16th July, at 10am. This will take place as a Teams Live event and the link will be sent out shortly. Having thought long and hard about whether it would be possible in person, we have decided that we will proceed remotely to enable the whole school and as many parents and family members as wish to, to be involved.

Year 1

We would like to wish year 1 a happy and safe summer break after they have finished their isolation period, following the closure of their bubble this week. We were very sad to lose them so close to the end of term!

Reception

We are looking forward to welcoming Reception back to school on Tuesday, for the last few days of the term, following the closure of their bubble last week.

I was very confused by transition day this week – all the classes smelled different! But I LOVED meeting my new buddy, Martha. She was very friendly and I welcomed her with tail wags and bouncing!
