Well done!

I had a lovely time racing Jim on the recreation ground this week, he is going to train hard to try to beat me! I wonder if any of you could run faster than me? Have a lovely weekend everyone! 🐾🐾

Lunch Menu

Don't forget to book your child's lunch by the evening before in order to guarantee their choice of menu option! Next week will be week 3.

SchoolCycle

Don't forget to collect plastic bottle tops and place them in the bins – photos to the left show you where they are! Any plastic bottle tops will do! When the bins are full, the bottle tops are weighed and in return the school receives Earth tokens – that can be used in exchange for new items, made from the recycled plastic – such as outdoor furniture, play equipment and so on! Please start saving your bottle tops and bring them in to school!

Changes to Covid Rules

In light of the easing of restrictions this week, we will revert to one point of access to school premises for collecting your children in the afternoons, from Monday. This will assist us in keeping the children safe at the end of the school day. In the mornings, the one way system will remain in place to ensure no one gets shut in after dropping their children!

Farewell to Mrs Genal

We are very sad to be saying goodbye to Mrs Genal today – she is leaving us to move to Hungary to be with her family. She is very sad to be leaving us – we wish her every happiness in her new adventure.

Reading

The children should all be reading at least 3 times a week at home. A child's ability to read underpins all aspects of the curriculum and opens the doors to deepening understanding in all subjects.

Tutoring

If your child has been offered specialist tutoring, free of charge, with one of our teachers, please make sure your child attends all the sessions. If you do not wish to take up this opportunity, let staff know at the outset so that the much sought after places can be reallocated to those who want them.
