Well done!

I had extra fetch this week with some of the year 4s – so I am a very tired boy! I also enjoyed hearing them practice for their play in a day which sounded like great fun! Jensen 

Lunch Menu

Don't forget to book your child's lunch by the evening before in order to guarantee their choice of menu option! Next week will be Week 2 of our summer menu! **Please make sure you order something your child likes to eat – otherwise this can cause a lot of distress at lunchtime!**

Scarecrow competition

Gardening club have extended the deadline for the scarecrow competition for another week – if you would like to enter, please bring your scarecrows in on Friday 16th June.

Photographs

School photos are next week – remember that your children must be in their uniform for this, rather than PE kit. Reception – Year 5 Tuesday and Year 6 on Friday.

Bottle tops

Thank you to those who have collected a plastic bottle and filled it with tops for our collection! We have filled several more boxes and are well on our way to collecting enough tokens to purchase something lovely for our outdoor spaces!

Water bottles

Water bottles must be filled with water and not sugary drinks please.

Suncream

As the summer seems to have finally arrived, please make sure your child has suncream applied before they arrive at school.
