What do you get while at Teatime club?

Teatime club starts at 3:15pm when the children are collected from their class room by a member of staff from teatime club. They will then be escorted to the club where lots of fun activities are set up for the children to enjoy. These may change on a regular basis to make sure that the children always have something fun and new to do!

Teatime club is broken down into three payable sessions, 4:15pm pick up, 5:15pm pick up and 6pm pick up. On arrival at teatime club the children will have snacks and a drink of their choice. If the child is booked in for the 3rd session they will then receive a hot meal and drinks. Each session per day needs to be booked on School Money up to 24 hours before hand, 6pm pick up needs to be booked 48 hours in advance so we can ensure food arrangements have been made.

On collection the children will be escorted out to the parent through the school office.

We are very excited to welcome children to the club and we look forward to seeing some new faces!

Any enquiries please ask Miss McTay, Miss Ramplin or the school office, we are all happy to help!

Teatime activity list

Friday –Movies

Above is a list of activities that take place in Teatime club, the children have a choice of different activities to choose from but this is the main activity that is set up for them to enjoy each day!

Activities

The children have the opportunity to show off their work from teatime and the different activities they enjoyed on our Teatime display board but they will also be displayed in our weekly school newsletter!

In the weekly newsletter the activity list will be posted so you are aware of what the children are taking part in whilst at the club.

The children are asked weekly what they would enjoy to do at Teatime club and this plan could change regularly.

The children have lots of fun making relationships with each other and having the opportunity to meet with other children from different year groups. Teatime club is a great way to learn important skills such as team work and communication skills.
