Well done!

I've had a really busy week! I smelled lots of amazing work – particularly maths in year 4 - and have played multiple games of fetch! I'm looking forward to a rest at the weekend....

Lunch Menu

Don't forget to book your child's lunch by the evening before in order to guarantee their choice of menu option! Next week will be Week 1. Please make sure you order something your child likes to eat – otherwise this can cause a lot of distress at lunchtime!

Holidays

Our whole school attendance average is currently sitting at 88%. This is unacceptably low compared with the National expectation of 96%. We are therefore simply unable to authorise any requests for term time holidays unless there are exceptionally extenuating circumstances.

Disney's 100th Anniversary

Monday 16th October will be *Wish upon a star day* and we would like to invite the children to dress up as their favourite Disney character to celebrate 100 years of Disney!

Allotment Award

We are delighted to hear that our allotment project has won The Best Project award from Anglia in Bloom - out of all the entries in the whole of East Anglia. By working closely with Weeley in Bloom we have supported the village to attain gold status for the first time in 7 years! This is an amazing achievement and we extend our enormous gratitude to all who have been involved- volunteers, local business owners, our incredible PTFA and of course our Gardening Club! Well done everyone!

Get well soon

We are all sending our love to Miss Ramplin this week as she is off to hospital at the weekend to have surgery on her broken collar bone. Wishing her the speediest of recoveries!
