Well done!

Lunch Menu

Don't forget to book your child's lunch by the evening before in order to guarantee their choice of menu option! Next week will be Week 2. **Please make sure you order something your child likes to eat – otherwise this can cause a lot of distress at lunchtime!**

Welcome Home Mr Wainford!

We are very excited to be welcoming Mr Wainford back to St Andrew's after Easter. He will teach Year 5 with Miss Robertson and Miss Springett and will also be returning to his SENGO role with Miss Day.

Miss Day will continue to be the Designated Teacher for all Looked After Children.

Chicken Run!

Following comprehensive research, the parent consultation and completion of risk assessments and management plans, I am delighted to announce that our governors have approved the addition of chickens to our St Andrew's family! We have a team of dedicated parents who will oversee this project and the care of our feathered friends, so watch this space for further details as the plans get underway!

Thank you to our everyday heroes!

We would like to take a moment to extend our gratitude to the team of amazing volunteers who give up so much of their precious spare time (when not at work or looking after their children) to help raise money for our school or run clubs and activities. These people do a huge amount of work behind the scenes and have been able to achieve incredible things for our children, such as our beautiful allotment and its Anglia in Bloom award, a wealth of enhanced resources for classrooms and the plans for a new kitchen that the children can use for cookery lessons.

If you would like to help in any way or feel you can contribute to supporting our volunteers, please do not hesitate to get in touch.

I enjoyed spending time outside with some of my buddies this week and getting lots of belly rubs. It's lovely to see some fresh flowers, summer is on its way!
