St Andrew's Vs St Philomena's Match

On Thursday afternoon, we had the first football match of the year, with the boys playing against St Philomena's in a 'pre-season friendly'. The boys played very well and showed great effort and determination. The game was played in great spirits, eventually finishing 2-2!

Well done boys!

National Survey: My Big Future

We would be grateful if you could all spare a few minutes to take part in the attached survey with your child. This has been sent by the children's commission to all children across England and is asking children and young people about their lives and their hopes for the future.

It only takes a few minutes and the information your child provides will help build a picture that reflects all children from across the country.

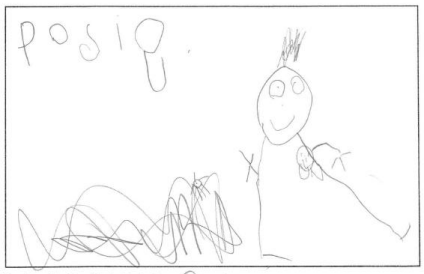
Student Leaders

This week, we asked all of the children what they wanted to be when they grew up and how they thought they were going to get there. We certainly have a school of future leaders and dreamers!

When I grow up I would like to be a:

Mummy and garden person to grow my own food.

My life will look like this:



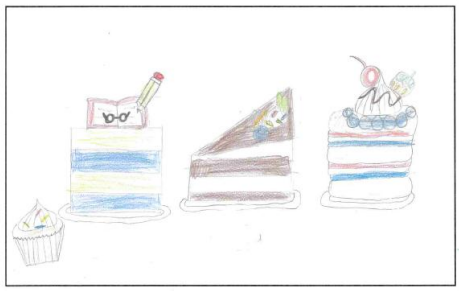
To achieve this I need to be able to:

Water plants.
Kiss my baby good night.

When I grow up I would like to be a:

Baker

My life will look like this:



To achieve this I need to be able to:

1) Get into college.
2) Go for training to take cake.
3) Get apprenticeship or finance to set up a shop.
4) Get a license.

When I grow up I would like to be a:

Fidget Engineer

My life will look like this:

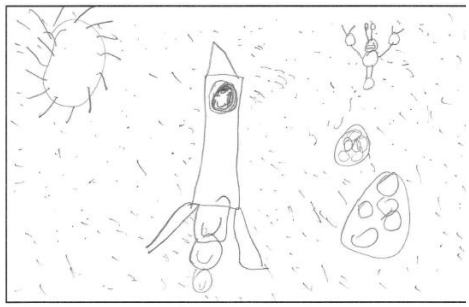
To achieve this I need to be able to:

Have my own company called Fidgets by Lauren. I would like to work with Darcie to create my fidgets.

When I grow up I would like to be a:

A astronaught

My life will look like this:



To achieve this I need to be able to:

Be good at Science Maths and do tests and go to college, read and write.

Marine or Navy Officer

My life will look like this:

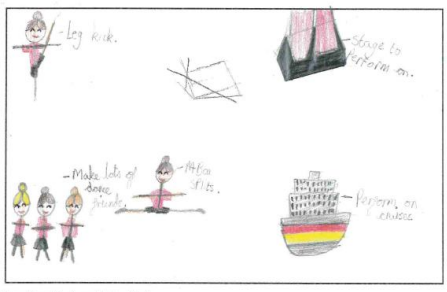
To achieve this I need to be able to:

Succeed in my Sea Cadets when I become a Senior and I need to not give up, I must go all the time.

I will learn more about what I to as a Navy or Marine and practise for events.

Dancer.

My life will look like this:



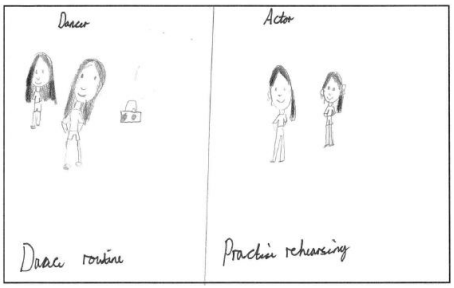
To achieve this I need to be able to:

I need to be able to do all different kinds of dance skills/moves become very very flexible, and I need to always point my toes and always straighten my legs while doing the dance skills.

When I grow up I would like to be a:

Dancer / actor

My life will look like this:



To achieve this I need to be able to:

You have to practise to be a dancer/actor and get into university. Then you need to learn to be a proffesional dancer/actor. Then you have to prove to the Proffesional dancers/actors that you could get the job. But if you don't get into the job you can study another job so you could get another one.

When I grow up I would like to be a:

Nail tech

My life will look like this:

To achieve this I need to be able to:

I need to practice at art, and practicing on nails I would practice on my nails and so I can draw on paper for the design. First I have to get a formal training and complete my education. I need to get better equipment, then open my own shop, and so call it Evie's design. And keep practicing until so I can do the hardest design.

St John Ambulance

BADGERS

Would your child be interested in joining the St John's Ambulance Badgers?

St John's Ambulance are on a mission to teach young people across the country how to save lives. And that starts with our Badger programme, for 5 to 10-year-olds.

It's a chance for them to learn important first aid skills in a fun, friendly, and safe environment.

St John's Ambulance want to help their Badgers to develop their:
•self-esteem and confidence
•first aid knowledge
•life skills

They'll get to learn about lots of different topics like first aid, communication skills, and healthy living.

- Open to children from 5-10yrs old
- Little Clacton Village Hall (CO169LQ)
- Tuesdays 5pm – 6:15pm.
